Grocery Card Registration – This is an easy way to fundraise! Silent Fundraising it is called cause once you register you don't have to do anything else. Once a year they will ask you to renew your info, but it is just an email and all you do is click a button. Get your neighbors and family to register as well. Easy Peasy!

Ralphs – go to www.ralphs.com. At the bottom of the page under services, click on school programs.

Click on Community Contribution, click on participant/enroll. You must register an email address and set up a password to enter the site. Then you can enter your Ralphs Club number. You must have your number, they do not take phone numbers. If you don't know your number, you can call customer service and they will give it to you. Once you have entered your number, they will ask you to find your organization. We are listed under Trabuco Hills HS Instr. Music the account number is 83304. Once you do that you are registered! It is that easy!

Vons/Pavilions – go to www.escrip.com. Click on the sign up button. You can use our group ID which is 10272230 – Trabuco Hills HS Instrumental Music. You can support up to 3 groups with escrip. Next they will ask you to fill out information about yourself. This is used to keep track of your account, they do not send anything to you. Then you need to register your vons/pavilions card, again you need the number. The next page will ask you for additional cards, such as credit cards. There are certain vendors, see attached list that give a percent back to the program. I have had my credit cards listed for 7 years with no problems. The next screen will ask for retail cards, the only one that is available now is Macy's, so you can register that as well. Then you are done! See that was harmless. Now when you shop and swipe your card you are silently fundraising! Remember to get your family members and neighbors to do the same. The more the merrier! Here is another secret – escrip also has an online mall. If you shop online, and who doesn't, you can go through them at selected stores and then we get a percentage back. I have also attached that list. Have fun Christmas shopping!

Albertsons – go to www.albertsons.com. At the bottom of the page is a banner, click on In The Community. Click on Community Partners in the right hand banner.
