

Christmas Tree Lot Sign-ups

The THHS Music Program has been invited back to work at Phil Jones' Christmas Tree Lot on December 7th, 8th, and 9th.

Not only is this a great opportunity to raise funds for the band but it also gives students a chance to earn some spending money just in time for the holiday gift-giving season.

In order for the weekend to be a success, we must also have parent participation.

Specific breakdowns (how many students, parents, etc.) that will be needed on shifts will be announced shortly as well as will the exact times of the shifts themselves. However, in an attempt to get moving on scheduling for an event that is rapidly approaching, I would like to get as many slots filled as quickly as possible.

While I do not have the start and finish times of each shift, based on last year I would expect the following:

- ✓ Friday, December 7th - Evening Shift only
- ✓ Saturday, December 8th - Day Shift and Evening Shifts
- ✓ Sunday, December 9th - Day and Evening Shifts (the evening shift may get cut short depending on business needs).

Email your preferred time slots to work to Treelot@cox.net. This will reduce the email traffic on the Booster site and I will be sure to get your messages.

REMEMBER, I need to know day and time you would like to work, your name, your phone number, and whether you are a student or a parent.

While preferred scheduling will be given the first to reply, everyone will be given an opportunity to participate in this event. This may mean, for those of you that would like to work the entire weekend, you may be bumped from a time slot. Let's keep the holiday cheer, shall we?

I will be in touch shortly with more details on this event, but if you have any questions, please call my home number, 949-459-8982, or email me at Treelot@cox.net.

Thanks in advance for all the speedy responses!!

Charles Hughes
