5 August 2010

Dear THHS Instrumental Music and Color Guard Students:

I hope correspondence finds you having a fun and relaxing summer! As we move toward August, preparations for the 2010 – 2011 rehearsal and performance season are in full force. From the marching band and color guard perspective, the fall is filled with the usual football games and participating in the Western Band Association Circuit Competitions and Championships. In addition, there will be a couple other field tournaments from other circuits. Orchestra will be participating in the local concerts and festivals with the possibility of attending the Heritage and Six Flags Festivals. The Percussion Ensemble and Color Guard will be participating in their circuit shows and the local WGI Regional in Southern California during the second semester. Jazz Ensemble is still in the planning stages with a full compliment of performances but not limited to local concerts, basketball games, and festivals. Visit the website <thhsmusic.com> to check the calendar and plan your schedule accordingly.

The following is a list of camps: Rookie Thundering Mustang and Color Guard Camp (23 August 9:00 A. M. – 5:00 P. M.), Thundering Mustang Camp (24 August – 10 September 9:00 A. M. through 5:30 P. M. excluding Labor Day), Orchestra Camp (24 & 31 August 6:00 P. M. – 8:30 P.M.), and tentative dates for the weekend Orchestra Camp are 4 – 6 February (Friday 5 – 10, Saturday 9 – 6, & Sunday 1- 4). These camps are mandatory for the participants of those organizations. Do keep in mind Thundering Mustang Members; **there will be alternates this year and how you perform during camp will determine where your contributions will be during the fall semester. In other words, I would suggest you be there, be in shape, and know your music!**

The THHS Instrumental Music and Color Guard program has been recognized as one of the top music and color guard programs the western United States. As a member there is a certain obligation to those previous students to maintain the effort necessary to achieve this high standard of tradition. We must first and foremost understand, **“we cannot sit back and live in the past.”** To remain as one of the top instrumental programs in California, a higher degree of energy and dedication must be applied to our work ethic to achieve the standard that has made the **THHS Instrumental Music and Color Guard** program successful and respected.

Please read all the materials in this letter carefully. Be sure and mark the rehearsal and performance dates on your calendar so there are no conflicts. Every person is an

intricate part of this organization. Your time, energy, attitude, and presence are essential to make this a successful and memorable year. Our past accomplishments will be hard to top, but I am willing to give my best effort to help the organization continue to achieve that level of excellence. Please keep in mind attendance is a prerequisite (at practices and performances) to be a part of this organization. All aspects of rehearsal and performance standards will be higher than in the past. Upper classmen, your leadership skills will be needed! This philosophy applies to all aspects of the program.

Orchestra members, auditions will be held after the first rehearsal on 26 and 27 August between the hours of 10:00 AM and 2:00 PM. There is a slight possibility the hours might change, so check the list closely when you sign up to audition. A sign up list will be available at the first rehearsal in the music room. You will also receive the rehearsal music at this time. You will also be required to play a two-octave scale of choice and a chromatic scale two octaves. Sight-reading will finish out the audition process. Music for the year is still under consideration with final decisions coming soon.

One of the most useful items of information I send out every year has to do with rehearsals. Please understand the rehearsals are very important and each person is an intricate part. Your absence during a rehearsal or performance can make a big difference. Please take note orchestra members; this also applies to you too! Read the following article. The “e” is not functioning properly and you will see the problems created by this malfunction:

You arx a kxy pxrson

Xvxn though my typxwritxr is an old modxl, it works vxry wxll xxcxpt for onx kxy. You would think that with all thx othxr kxys functioning propxrly , only onx kxy not working would hardly bx noticxd; but just onx kxy out of whack sxxms to ruin thx wholx xffort. You may say to yoursxlf, “wxll I’m only onx pxrson. No onx will noticx if I don’t do my bxst.” But it doxs makx a diffxrxncx bxcusx to bx xffxctivx an organization nxxds activx participation by vxvry onx to thx bxst of his or hxr abilitixs. So thx nxxt timx you think you arx not important, rxmxmbxr my old typxwritxr. You arx a kxy pxrson!!!!!!

Imagine the frustration of trying to rehearse or perform with one or two students missing. The point being made is your attendance at rehearsals (and performances) is needed to make the program successful. The absence of one person creates a bigger impact than is initially imagined. If you make the commitment to be part of the program, there are people relying on you to be there! Missed practices or performances can result

in your position being rewritten, you on the sidelines as an alternate, or being removed from the organization completely.

Band and color guard members, although not required, it is highly “encouraged” that you have a physical before band camp. The **Thundering Mustangs** are not just “any” marching organization (or like your parents marching band experience) and the demands put on your body and mind is high. If there are medical problems, you should know before camp and these problems need to be brought to the director’s attention. Please take note; running is part of the endurance building. If you are unable to a least jog it is very unlikely you will be able to push yourself on the field during a typical THHS Thundering Mustang and color guard performance. Take the steps to make sure you are in shape before coming to camp!

Other suggestions include eating breakfast and lunch. This is very important. You will be burning an exorbitant amount of energy. Bring and drink plenty of fluids, more so water, Gatorade, All Sport, etc. Please be sure to bring your sunscreen too, we do practice during the warmer parts of the day. Your health is important! A major priority is to make sure you bring your medical form. **No marching or pageantry member will be allowed to participate until this card is turned in!**

This year’s competition show is entitled **Military Flight Plan**. This features the music of Kevin Shah and Russell Moreau. As is always the case, it is a challenging piece of literature along with marching moves and choreography to match.

Mustang Round up for the Marching Band and Color Guard Members will be 31 August from 11:30 – 2:30. This time has been specifically set aside for students in the music program to register. **Plan on taking care of your school registration at this time!**

Well ladies and gentlemen; I am looking forward to getting back in the swing of things! This promises to be yet another outstanding year and well worth the time and effort. Be sure to come to camp with your body in top physical shape, your mind sharp and open, and your musical instrument in optimum playing condition. If you have any questions, feel free to call me at school [(949) 768-1934 X7618] or e-mail me at <stephensh@svusd.org>. I will be checking messages daily. Enjoy the rest of your summer!!!

TRABUCO HILLS HIGH SCHOOL INSTRUMENTAL MUSIC
PARTICIPATION POINTS

The Trabuco Hills High School Instrumental Music program thrives not only on the dedicated participation of every student, but on the participation, enthusiasm, labor, and support of its boosters. Our program requires hours of work from each and every family in order to maintain its high standard of excellence in education and life experiences for our children. Our boosters support this program, not only in dollars, but in time. Without this participation, the program would most certainly lose its momentum.

In years past, boosters had the opportunity to make a donation in lieu of providing hours served, in the amount of \$200.00. Boosters had the chance to sign up at the beginning of the year for several different areas of interest. Unfortunately, although we had many sign ups, there was no follow-through on the part of many boosters, and therefore, a small group of dedicated families continued to do most of the work on their own. Not only did our program lose money due to the lack of participation in fundraising, but our trips, tournaments, and on-campus events lacked the necessary support to create the atmosphere of excellence our kids so deserve.

Eight years ago, we created the **PARTICIPATION POINTS** program. This program tripled our booster participation and interest. Boosters learned that it was not only important for them to be involved from a financial and time-giving stand point, but that it was also fun and exciting to experience these important times with their children. It has been an extremely successful addition to the Trabuco Hills High School Instrumental Music program. We are very proud of our boosters and this program.

Here's how it works....

Each Marching Band and Color Guard booster family has a \$200.00 (or 200 PARTICIPATION POINTS) requirement. Each Orchestra or Jazz Ensemble family has a \$100.00 (100 PARTICIPATION POINTS) requirement. You can completely eliminate your point requirement by participating in several different ways. As you participate in various events, you earn PARTICIPATION POINTS. These points are applied towards your PARTICIPATION POINTS balance until the required total is met. Any unearned points are then charged to your student's booster account in the form of dollars. You will receive bi-annual statements that will provide you with your balance. You are welcome to contact the Booster Secretary for an earned points report at any time.

There are FOUR different credit categories:

10 POINTS	20 POINTS	50 POINTS	100 POINTS
<p>Attend a Monthly Booster Meeting (Second Monday of the Month)</p> <p>Be A "Helper" at An Event (Football Chaperone, Tournament Chaperone, Food Helper, Concert Tickets, Uniforms, etc.)</p> <p>Participate in A Fundraiser (See's Candy Sales, TITH Ads, Purchase Scrip, Silent Auction, Family Dine Out, etc.)</p> <p>Take and turn in digital photos and videotape from an event.</p> <p>Bake some goodies for an event or donate bottled water.</p>	<p>Work a night of BINGO (Thursday nights, no experience necessary!)</p>	<p>Chaperone An Away Trip!! (Be a chaperone on ANY overnight trip!)</p> <p>Chair Any TITH Committee (Food, Parking, Security, Band Assistance, etc.)</p> <p>Chair Any JITH Committee (Food, Publicity, Stage Admin., etc.)</p>	<p>Become an Event CHAIRPERSON (Band Camp Picnic, Casino Night, Family Dine Out Night, Casino Night, See's Candy, Silent Auction, Find us a NEW Fundraiser to chair, etc.)</p>

Note: Tournament In the Hills ("TITH") is a MANDATORY event for ALL Boosters. Participation Points will be granted for every shift to each individual towards the student account of their choice. Questions? Contact Dave Yingling at (949) 273-9458 or at david.yingling@gmail.com

Trabuco Hills Music Boosters Bingo

Every family is requested to help!

The bingo game has become a **major** fundraiser for the Instrumental Music and Color Guard program at Trabuco Hills High School through the dedication of our wonderful, hard-working boosters.

We host the game every Thursday night in the THHS Multi-Purpose Room.

Working a bingo game simply entails a few hours of your time on a Thursday night. Volunteers do a variety of jobs such as helping with hospitality, security, check-in, selling "special" games, or selling pull tabs. *No prior experience is necessary!*

Each booster family should volunteer to work a bingo game at least once each calendar quarter (Jul-Sep, Oct-Dec, Jan-Mar, Apr-Jun). Volunteering for a bingo game earns 20 Participation points.

Bonus!! If the family meets the once-per-quarter expectation, the entire participation point requirement for the year will be considered fulfilled!

Points earned during the summer count towards next year. Anyone working bingo this month (June) can automatically have their points apply to next year, and count towards the first quarter.

To participate as a volunteer, please sign up online at our website at thhsmusic.com

For more about our bingo game, visit our website at thhsmusicboostersbingo.com
